

ZERO EMI Means no AIS or VHF Interference

Indoor / Outdoor

Recessed 3.5" LED Light

2700K 85 CRI Dimmable LED

All light, no EMI! With Zero radio emissions these lights can't interfere with your communication and navigation equipment. Powerful without the hot spots. The 0A series produces a soft, high color rendering light that fills the area. Comes in Polished, Brushed and White finish with frosted lens.

Digitally dimmable designed into the electronics means you will not need special circuitry. Three screw mounting compatible with the most popular models. Warm White or Warm White/Red available. Two or Three wire configurations. Simply reverse polarity to switch between colors or hi/lo.

Soft 2700K warm white hi CRI LED light enhances the beauty of your surroundings.

**Large glass opening
with new reflector technology**

Drop in for the 50W halogen recessed lights

**IP65
for Indoor or Outdoor Use**
