

Winch Handle Pocket

#21053

The Barton Winch Handle is manufactured in the UK from flexible dip moulded PVC to enable a wide range of handle types to be stored quickly and securely.

A drain hole at the base keeps the pocket dry.

The pocket measures 12 9/16" x 3 1/2" x 2" and requires four fixing screws to attach (not supplied).

Part Number:
21053
